

Internship JD – Digital Marketing Intern

A Digital Marketing Intern helps execute online campaigns, create content, and analyze performance to support brand awareness and lead generation. This role blends creativity, strategy, and analytical thinking.

Key Responsibilities:

- Content Creation: Assist in creating blogs, social media posts, and basic ad copies.
- Campaign Support: Help plan and run digital campaigns across platforms (Facebook, Instagram, LinkedIn, Google).
- SEO & Analytics: Learn and apply SEO basics; monitor performance using Google Analytics or similar tools.
- Market Research: Conduct competitor and audience research to support campaign strategies.
- Collaboration: Work with design and development teams to align marketing with brand goals.

Skills & Tools:

- Platforms: Instagram, LinkedIn, Facebook, Google Ads, YouTube.
- Tools: Canva, Buffer/Hootsuite, Google Analytics, basic SEO tools.
- Creative Thinking: Ability to generate engaging content ideas.
- Analytical Skills: Interest in learning how to measure campaign effectiveness.
